CLEVELAND ... Diversified industrial manufacturer Eaton Corporation today announced that, according to authoritative Darrell Survey results, 90 percent of the players who competed in the 2008 Nationwide Tour Championship used Golf Pride® grips on the majority of clubs in their bag.

“We are pleased to see that the majority of professional golfers on the Nationwide Tour compete with Golf Pride grips to play their best,” said Jeff Fiorini, general manager for Eaton’s Golf Grip Division. “The fact that so many players trust Golf Pride and win with our grips is a testament to the quality and reliability of our products.”
