Golf Pride[®] MCC[™]

Hybrid technology.
All-weather control.

Available in various colors.

SKU list on page 4

Golf Pride[®] REVERSE TAPER

Technology that stabilizes both hands for a more square putter face at impact.* No matter your gripping style. Available in three distinct shapes and two sizes.

PISTOL

Helps lock in the upper hand; designed for all and popular with players who use a left-hand-low technique.

ROUND

Round upper section that tapers into a wider lower section for all gripping techniques.

FLAT

Oval-shaped upper section; designed for all and preferred by golfers with a palm-to-palm putting style.

*As tested against a parallel style putter grip.
